Sun City West Foundation Again provides FREE Space to AARP!

Among the many free services available in our community AARP Tax Aide shines. Each year, Sun City West Foundation provides FREE space to AARP from the first of January through mid-April as a service to residents. The Foundation includes upgraded internet connections exclusively for tax-aide so that returns can be filed electronically.

On April 14th, AARP Tax Aide officially concluded the 2017 year. They were able to prepare taxes for 2,800 residents at no charge to them.

AARP relies on local volunteers who take pride in serving their peers. They are thoroughly trained, tested and certified in tax law. Training is focused on the tax needs of low and middle income taxpayers with special emphasis on the unique needs of seniors although they serve everyone in the community. Volunteers are also needed to work on non-tax specific duties – so there is something for everyone. If you are interest in volunteering, visit www.aztax-aide.org
